

A Step-By-Step Guide

Overview: Accept customers' credit card payments in your website's Squarespace shopping cart by connecting it, via Ecwid with Authorize.net, to which your new merchant account is already connected.

1

Welcome Email

Once approved for a merchant account, you'll receive a welcome email. with your **Authorize.net login, API Login ID Key, and Transaction Key.** Save this information.

2

Add Ecwid to Your Squarespace Site

- Sign up for an Ecwid account, Venture package (\$25/mo).
- In your Ecwid account, **Admin > Sales Channels > Squarespace** > copy the integration code, then log into your Squarespace site.
- Navigate to the page where you want your store, click "**Edit**," add a "**Code**" block, paste the Ecwid code, and **Save** changes.

3

Select Authorize.net Gateway

From Ecwid, select **Configuration > Payment > More Options To Accept Payments** and Select **Authorize.net.**

- Enter your API details from your Welcome Email and hit '**Save**'

4

Start Processing!

You are now ready to start accepting credit cards in your shopping cart via Authorize.Net and your new merchant account!
